OPEN ENROLLMENT

IT'S NEVER TOO EARLY TO PLAN AHEAD!

Open Enrollment runs from **October 1-31, 2023**. This will be when you can change your plan and add or drop dependents without a qualifying event. Be on the lookout for more information coming your way soon!

Any changes made go into effect on **January 1, 2024**.

NEW

PHARMACY BENEFITS MANAGER (PBM)

 NAVITUS

Beginning July 1, 2023, ARBenefits partnered with Navitus Health Solutions, your new pharmacy benefits manager (PBM)! As the new PBM, Navitus will support your health and well-being with access to the medications you need. Navitus is accessible 24 hours a day, 7 days a week.

The medications covered on the formulary before July 1, 2023, are still covered through the end of the year, and the information on your Member ID card has not changed. All you need to do is provide your Member ID card to your pharmacist as usual.

If you have any questions about your prescriptions, please call EBD at 1-877-815-1017 or Navitus at 1-888-384-2438.

IMPORTANT ENROLLMENT/CHANGE UPDATE

Effective 8/1/2023, EBD will only accept one form submission for any new hire, change, and election forms to improve processing efficiency and timeliness of member coverage. This means there is only one opportunity to make selections, so members need to be sure of their decisions and complete all forms in their entirety. EBD will accept corrections to basic information after submission, but that will not include plan changes or coverage choices. Please contact EBD with any questions you may have.
